Dear Representative Kastenmeier,

Arrangements have been finalized with your Madison office staff to meet with you at 10 a.m., Saturday, April 21. Mr. Rueben Lorenz, Vice President of the University of Wisconsin, and Mr. Howard Bremer, Patent Counsel with WARF, will meet with you then. I sincerely regret that after having asked for your attention that it will be impossible for me to join in the meeting.

As you are aware, it is our purpose to acquaint you with the necessity for legislation like H. R. 2414 and, through discussions, help you understand how the University of Wisconsin can benefit by the passage of this bill. Mr. Bremer has worked with Senators Bayh's and Dole's staff in preparing the bill for introduction to the Senate. He is, therefore, the best spokesman for either the University of Wisconsin or WARF's interest in this matter.

Thank you for making your time available to us.

Very truly yours,
