Dear Howard,

After looking through the material you sent me on the IMRG group, I feel that becoming a member would be of no benefit to us. There are only 5 out of the 20 member organizations we would be remotely connected with. Outside of introducing the idea of Patent Education for students, I can see no reason for joining.

I will forward the material to the other Officers and Trustees for their opinions.

Sincerely,

A handwritten signature in cursive script that reads "Mary".
