Dear Clark:

I have been in touch with Ms. Darcia Bracken of Representative Ray Thornton's staff, concerning hearings on HR 6249. I have been told that hearings will probably be scheduled in the Fall and have requested that you represent COGR at such hearings. My request has been duly noted by Ms. Bracken.

In the event you have need to talk with Ms. Bracken, she may be telephoned on (202) 225-8128.

With kind regards,

Milton Goldberg
Assistant Executive Director
