Dear Mr. Bremer:

Shelly asked me to send you the enclosures in response to your letter to him of April 3. One is a copy of the AAU Federal Relations Agenda which was endorsed by the Executive Committee of AAU last fall and the other is a President's Letter which includes the item to which I think you are referring on the Dole-Bayh bill.

Howard please stand touch with me if you believe that AAU can help the process. The bill seems to be going through the Congress routinely. Until there is an obvious need, I see our role as one of monitoring. How do you react?

Sincerely,

Newton O. Cattell
Executive Director
