Suite 203, 2001 Jefferson Davis Highway

Dear Mike:

Thank you for sending me a copy of your letter (on behalf of APLA) of June 28, 1979, regarding Section 204 of S414. As you may be aware, universities, through their National Association of College and University Business Officers, also have been in contact with Joe Allen in regard to Section 204. Howard Bremer, of Wisconsin Alumni Research Foundation, who is also President of the Society of University Patent Administrators, is the "leading force" in this endeavor. I am providing a copy of your letter of June 28 to Howard. If he thinks it is appropriate to do so, I'd like to encourage him to pass on NACUBO's Section 204 proposed revision to you to receive feedback from the point of view of APLA.

For your information, I've enclosed a copy of my testimony at the June 6, 1979 Hearings on S414.

Best regards,

  
Niels J. Reimers
