

April 14, 1969

Mr. Len Van Ess
Director of Research Administration-Financial
The University of Wisconsin
750 University Avenue
Madison, Wisconsin 53706

Dear Mr. Van Ess:

Reference is made to the Annual Invention Statement submitted under date of February 18, 1969, on behalf of Dr. Karl U. Smith, Program Director under PHS training grant TOL MH-10324. According to the statement Dr. Smith has made an invention entitled "Scleral Lens Light" during the course of work under this grant.

To comply with the terms of the training grant agreement, it will be appreciated if you will have Dr. Smith prepare and forward to this office, as soon as conveniently possible, a formal report of invention in the nature of answers to the questions in the enclosed outline.

Upon receipt of the full disclosure the invention will be evaluated and a determination made by this Department regarding ownership rights and manner of disposition of such rights.

Sincerely yours,

Norman J. Letker
Acting Special Assistant for
Patent Policy
