Professor William H. Young
Department of Political Science
and Assistant to the President
University of Wisconsin
Madison, Wisconsin 53706

Dear Professor Young:

Your attention is directed to paragraph XI of the Institutional Patent Agreement between the Department of Health, Education, and Welfare and your institution, which requires annual reports by September 30 of each year.

This report should include all new inventions that have been developed with DHEW support during the period covered and also the present status of all active cases which were previously reported under the Agreement, as outlined in paragraph XI.

Your report should cover the period from July 1, 1970 through June 30, 1971. Your attention to this matter will be appreciated.

Sincerely yours,

Norman J. Latker
Chief, Patent Branch
