Dear Mr. Bremmer:

Following our telephone conversation, I submitted the attached revised request to the Senate Subcommittee, regarding S.B. 414.

I trust that I have overcome the potential weaknesses in the language. I am pursuing this change with Ms. Syndow of Sen. Metzenbaum's staff.

If you have further suggestions, I would appreciate them, since we sincerely believe that Battelle should qualify as a non-profit in this legislation.

Sincerely,

P. T. Santilli
General Counsel
