Dr. E. M. Allen, Chief
Division of Research Grants
National Institute of Health
Public Health Service
Bethesda 14, Maryland

Dear Dr. Allen:

Pursuant to previous correspondence it gives me pleasure to return one copy of your letter of September 14, 1953, which has been signed by Dr. James H. Hilton, President of the Iowa State College of Agriculture and Mechanic Arts.

We shall observe all the terms and conditions of this agreement if and when patentable discoveries ensue on projects supported by your organization.

Sincerely yours,

Quincy C. Ayres
Assistant to the President
