Mr. Ray Woodrow,

P. O. Box 36,
Princeton, N.J. 08540.

Dear Ray:

Enclosed is the completed SUPA questionnaire concerning University Patent Policies and Patent Administration. I found little difficulty in completing the questionnaire and have no suggestions for changes. I feel that it will convey the information needed in understanding the various patent policies of SUPA members.

Very truly yours,

R. L. Davis, Patent Manager
