Dear Mr. Richardson:

This letter is directed to a separate matter. I am a trustee of the Society of University Patent Administrators and we are planning our next annual meeting in Atlanta on February 26 of next year. I believe we have succeeded in obtaining the acceptance of the Commissioner of Patents, Don Banner, as the principal speaker for this meeting. Mr. Isaac Fleishmann of the Patent Office indicated that Don may also address the Georgia Patent, Trademark and Copyright Law Section on the evening of the same date. Do you know anything about plans for this proposed evening meeting? If it can be arranged, Mr. Howard Bremmer of the Wisconsin Alumni Research Foundation, who is president of SUPA and also a patent lawyer, and I would like to attend.

Again thanks for your help in getting the agreement under way. I sincerely hope that it will prove to be successful for all concerned.

Very truly yours,

Ray E. Snyder
