Dear Howard:

Enclosed is a copy of a response I received from Phil Crane. As you can gather from the text, his views are four square with those of Senator Dole. This is why I had no hesitation about asking for his support.

As an announced presidential candidate, Representative Crane's views may carry more weight than would otherwise be the case. He is also on the Health sub-committee of the Ways and Means Committee.

I believe we are beginning to make some inroads on this problem and hopefully the University Small Business bill has a good chance of passage.

Very truly yours,

Ray E. Snyder
