Dr. Howard Bremmer
President, SUPA
Wisconsin Association Research Foundation
614 North Walnut Street
Madison, Wisconsin 53705

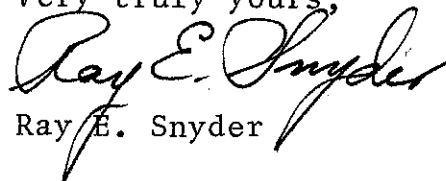

Dear Howard:

Enclosed is a copy of a recent note I received from
Don Banner.

Northwestern is planning a patent program sometime
this fall. I am also planning to prepare one or more video
tapes at the University of Missouri.

Perhaps we can expand on this program at our meeting
on the 26th.

Very truly yours,

Ray E. Snyder
