Mrs. Lorraine Lasker
Director
Research Administration
New York Medical College
Fifth Ave at 106th Street
New York, NY 10029

Dear Lorraine:

In accordance with our telephone conversation, I enclose herewith a copy of my letter as president of SUPA to Ray Thornton. I hope it is of help.

I will be glad to serve on an SRA committee on the subject, and do not think it will conflict with my responsibilities to SUPA.

Sincerely yours,

Raymond J. Woodrow
