Members of SUPA

#### Seasons Greetings:

Enclosed is a new questionnaire. The members agreed at the last SUPA meeting that there should be a survey of patent policies. We started with several suggestions from which a preliminary form was designed and given a trial run at six institutions. The results were used to modify the questionnaire further into the form in which it is now sent to you.

I hope the enclosure will fit the situation at your institution. Completion and return at your early convenience will be appreciated.

Sincerely yours,

December 16, 1976
