Mr. Norman J. Latker  
Patent Counsel  
Department of Health, Education and Welfare  
Washington, D.C. 20201

Dear Norm:

As you know, we have conducted a survey of the patent policies of institutions having members in SUPA. The results of the survey have now been tabulated and analyzed, and I enclose herewith two copies of the results.

I would very much appreciate your suggestions of any in Government (either executive or congressional) to whom copies might be helpful to our cause.

Sincerely yours,

Raymond J. Woodrow
