To: SUPA Officers and Trustees

Gentlemen:

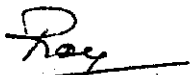

I hope you are all now recovered from the Chicago meeting which I thought went very well all things considered. However, Dvorkovitz's letter (copy enclosed) indicating that the universities' participation in the fair was not as it might have been. Furthermore, we now have to decide whether to have the next (1978) meeting in Atlanta with Dvorkovitz or do something else. Please let me know what you want, with carbon copies to Earl Freise and Larry Gilbert.

I have now made arrangements for the two SUPA Committees agreed to at the meeting, by appointing the following chairmen:

Howard W. Bremer, WARF - University-Industry blanket agreement for intellectual property exchange

Donald F. Costello, Director of Academic Computing Services, U of Nebraska - Computer software protection

Sincerely yours,

Raymond J. Woodrow
