Assistant Director  
Office of Research and Sponsored Programs  
Northwestern University

Dear Earl:

At a recent SUPA meeting you will recall that I agreed to draft a questionnaire which might be used to gather information from colleges and universities about their patent policies, procedures and practices. Even though a bit tardy, I have now completed the draft and am forwarding it to you for review.

I am sure you will think of things that perhaps should be added and will also feel that I have included some questions which should be omitted. Please feel free to use it in any way that will be helpful to SUPA.

Cordially,

Robert E. Gentry  
Associate Vice President

P.S: I will be moving to Southern Illinois University around the middle of April and would appreciate your making a change of address for me in the SUPA records so that I might continue to receive information. My new address will be:

Robert E. Gentry  
Vice President for Fiscal Affairs  
Southern Illinois University  
at Carbondale  
Carbondale, Illinois 62901
