Dear Ward:

I was sorry to learn from your letter of October 11th that you are having difficulty in reaching an agreement with NIH. It appears to us that you have done everything that you can to facilitate an agreement. It is our understanding that NIH is reviewing its practices with respect to patent rights and I wouldn't be surprised if there is a delay in your hearing further from Miss Parent.

Kindest regards and best wishes.

Sincerely yours,

S. Blake Yates
