OFFICE OF THE ASSISTANT DEAN FOR BUSINESS AFFAIRS

August 24, 1964

Mr. Ward Ross
Managing Director
Wisconsin Alumni Research Foundation
Post Office Box 37
506 N. Walnut Street
Madison, Wisconsin 53701

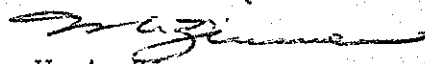

Dear Mr. Ross:

This is in response to your recent letter relative to the patent application of Dr. Greer and the work of Mr. Dibble in connection therewith.

As of now, we have not yet heard from the Surgeon General with respect to his final determination of the case. In the meanwhile, Dr. Greer has filed a patent application, and we are in the process of negotiating a license agreement with Lloyd Brothers. However, it is understood that this agreement will be subject to any conditions imposed in the final determination of the Surgeon General.

I shall make a note to advise you when the Surgeon General acts upon our request.

Very truly yours,

W. A. Zimmerman
Assistant Dean for
Business Affairs
