Raymond J. Woodrow
President
Society of University Patent Administrators
Princeton University
P.O. Box 36
Princeton, N.J. 08540

Dear Dr. Woodrow:

You will recall that in late 1976 the Society of University Patent Administrators conducted a survey of the patent policies of its member's universities.

I am interested in obtaining any material which contains the results of this survey. Would it be possible to receive this information?

Yours sincerely,

W.C. Marsh
