President Fred H. Harrington  
The University of Wisconsin  
Madison 6, Wisconsin

Dear Fred:

This is a belated acknowledgement of your letter of January 24 with regard to Professor Dale Norris of the Department of Entomology.

We are glad to note that in the light of the investigation made, Professor Norris and we are free to pursue patenting of his discovery identified in your letter, should this be deemed feasible.

Best regards.

Very truly yours,

Ward Ross,  
Managing Director
