Dear Bob:

Re: NIH

Many thanks for your letter of October 17 in which you comment at some length on our problems with the NIH as outlined in my letter to you of October 10. I appreciate your comments and assure you that these comments will be extremely helpful in our future negotiations with the NIH. A copy of your letter is being passed along to your friend Al Peterson, Vice President in Charge of Business and Finance of the University of Wisconsin, so that Al will have the benefit of your thoughts.

Best personal regards.

Very truly yours,

Ward Ross,  
Managing Director
