Dear Ward:

Dr. Coles and I would be pleased to visit with you in Madison in July, if it can be arranged. Dr. Coles tells me he expects to be on vacation that month except for the week of July 15th, and he has to be in New York on Wednesday, July 17th.

We are wondering if it would be convenient to you for us to visit in Madison either on Tuesday, July 16th or Friday, July 19th. We are also planning to try to stop at Carnegie-Mellon University in Pittsburgh on this trip. Our thought is that we could stop at Pittsburgh either on Monday, July 15th or Thursday, July 18th, then proceed to Madison on the evening of those days. Thus, we would be able to have dinner and an evening with you, followed by a full day's conference on the following day.

Please let us know which of these days would be preferable to you. If it is not possible to visit with you during that week, you might suggest alternate dates in August.

Sincerely yours,

Willard Marcy
