Dear Howard:

Many thanks for the copy of the updated background paper on the Dole-Bayh bill. It is extremely helpful.

I spent about 20 minutes with Senator Nunn in September discussing the bill in an effort to get him to agree to become a co-sponsor at that time. He was very much involved in the tax revision legislation during the closing days of Congress and stated that he would give further consideration to it prior to the convening of the new Congress in January. We will continue to follow up with him in that regard.

I don't know, of course, which members of the House are being contacted to gain sponsors for the companion bill. If any of the Georgia delegation are involved, we will be pleased to do all we can to encourage them to sponsor it. If not, we will certainly do everything we can to gain co-sponsors from the Georgia delegation at the proper time.

Please let me know if we in Georgia can do anything at the moment to help the cause.

Sincerely,

William O. Burke
