Dear Howard:

H. R. 2414 is, I understand, moving along rapidly. I am trying to keep up with it so that I can encourage our other university contacts to follow up with Members of Congress at the appropriate time.

It would be extremely helpful if you would give me a call or drop me a note letting me know when the bill is scheduled for a vote in the House.

Best personal regards.

Sincerely,

A handwritten signature in cursive script that reads 'Bice'.
