Dear Howard:

The Trustees Meeting was well attended and a lot was accomplished, thanks to your leadership. We are all indebted to you for the work you are doing on our behalf.

I talked with Jay Wilson at Georgia Tech today. He says his SUPA membership application is being processed and I am sure he will be an asset to the organization. He promised to review action taken at Tech on S. 414/H. R. 2414 and will be sure that they contact all of our Congressmen.

A copy of my letter to the Georgia Congressmen is enclosed for your review. I will welcome a reminder of points I should have covered and didn't or suggestions to improve things I mentioned. As soon as I receive a marked-up copy of the bill from you I will get it out to the other universities in the area for their information.

Again, the meeting was most helpful. Best personal regards.

Sincerely,

William O. Burke
Assistant Vice President
for Research
