Dr. Randolph Tucker Director Office of Research Administration Rush-Presbyterian-St. Luke's Medical Center 1753 West Congress Parkway Chicago, Illinois 60612

Dear Dr. Tucker:

The attached memorandum was recently sent out to SUPA members. In conversations I recall that you may have mentioned negotiating some private funding at Rush in light of the existence of your Institutional Patent Agreement, even though inventions had not yet been identified. If this is correct, it would be extremely helpful if you could transmit this information directly to Bill Burke in a short narrative.

Thank you.

Sincerely,

Norman J. Latker Patent Counsel
