Dear Mr. Latker:

It gives me a great deal of pleasure to invite you to accept the honorary degree of Doctor of Laws from the University of Illinois. Our plan is to confer the degree at the Commencement exercises at the Urbana-Champaign campus on Sunday, May 19, 1985. University policy requires that those receiving honorary degrees be present at the ceremony.

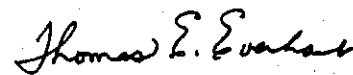

The recommendation for the award of the degree has been made by the Urbana-Champaign Senate of the University and will be officially approved by the Board of Trustees when I have your formal acceptance. In the meantime, President Ikenberry and I have had informal assurance of approval from the Trustees.

We look forward with pleasure to your acceptance and your visit to the University.

We will, of course, reimburse you for your travel and will provide for your meals and lodging during your stay in Urbana-Champaign.

With warm best wishes,

Sincerely,

Thomas E. Everhart  
Chancellor
