Dr. Betsy Ancker-Johnson  
Associate Director for Physical Research  
Argonne National Laboratory  
9700 S. Cass Avenue  
Argonne, Illinois 60439

Dear Betsy:

Thank you for suggesting a while ago that we check out Stanford's patent policy and patent licensing results.

We have received some information from them which I have sent out to all the members of the Sponsored Research Visiting Committee, with the attached covering letter.

Sincerely yours,

*Tom J*
