Dear Norm:

Thanks again for the phone call yesterday. We need all the encouragement we can get!

I'm enclosing a copy of the letter I sent to all SUPA members to generate data for a summary of cases where IPA's helped expand private funding and of cases where the absence of IPA's discouraged potential industrial sponsors. I'll be glad to write or telephone others, whom you may suggest to develop the case histories we need.

Best regards,

William O. Burke
