HEW

Page 21, line 14 - Renumber Section 327 to 328 and add a new section 327 after line 13 as follows:

"§ 327. Income sharing from patent licenses.

"In addition to awards as provided in § 326, in instances where a Federal agency grants income bearing patent licenses for an invention, such Federal agency may share the income received with the Federal employee-inventor. The amount paid to the employee inventor from such income may not exceed 20% of the total income accruing from the invention.
