 **NOVARTIS**

## Michael W. Glynn

**Vice President  
Corporate Patents and Trademarks  
Novartis Corporation**

Michael Glynn is vice president, patents and trademarks for Novartis Corporation.

Prior to his current position, Mr. Glynn was vice president and counsel for Ciba's Corporate Patent Department. He is responsible for protecting the corporation's intellectual property, including obtaining and maintaining patents, trademarks and copyrights; evaluating the intellectual property rights of third parties; providing counsel on intellectual property litigation issues; and formulating corporate policies and procedures for effective patent, trademark, copyright and trade secret protection.

Prior to this appointment, Mr. Glynn held a variety of positions of increasing responsibility within the Corporate Patent and Legal departments. Before joining Ciba in 1974, he was a patent examiner for the U.S. Patent and Trademark Office. Mr. Glynn is a member of the American Bar Association, the Association of Corporate Patent Counsel, and the New York Patent, Trademark and Copyright Law Association.

Mr. Glynn received his B.S. in organic chemistry and his M.A. in education from Fairfield University; his M.S. in organic chemistry from the College of the Holy Cross; and his J.D. from the American University College of Law.

He and his wife live in Darien, Conn.

# EVALUATING INTELLECTUAL PROPERTY TRANSACTION OPPORTUNITIES; THE DUE DILIGENCE PROCESS
