March 1, 1938

Remitter: Louis Gordon and Max K. Weiss (AA-215239)

Title: Ace Generator Field Coils

Question: Sufficiency of copyright notice.

The notice of copyright printed on the title-page reads: "Copyright 1936 by Ace Electric Co.," while the statement in the application in the space provided for the name of the copyright owner is as follows:

Ace Electric Co.
Louis Gordon and Max K. Weiss

Mr. Smith and Mr. Wise feel that registration should be made as applied for in the name of the Ace Electric Co. The notice of copyright in their name is complete. It is not believed that the addition of the names of Louis Gordon and Max K. Weiss under the name Ace Electric Company is sufficient cause for the rejection of the application. Possibly the two named are proprietors of the Ace Electric Company or are doing business under that name. Mrs. Rafter, on the other hand, feels that there is a fatal variance preventing the Office from taking any action looking to registration.

Respectfully submitted,

W. H. Wise

Chairman, Revisory Board
