

MEMORANDUM

April 2, 1938

Remitter: Hans Skreberg (19531)

Title: "You Can't Beat Hans' Backyard Golf Course and House"

Question: Questionable copyright notice

The work in question consists of a 3 5/8 x 5 1/2 inch card with an illustration and some text matter. In the lower lefthand corner appears the statement "Copyright 1938." On the same line in the righthand corner appears the name Hans Skreberg, Milan, Minnesota.

It is the opinion of Mr. Smith and Mr. Wise that this notice of copyright is adequate in that the name of the copyright owner is only 1 3/4 inches from the statement "Copyright 1938" and on the same line. Mrs. Rafter feels that the notice is fatally defective in that the name of the copyright proprietor does not immediately follow the statement "Copyright 1938."

Respectfully submitted,

W. H. Wise

Chairman, Revisory Board
