"Notice"

MEMORANDUM

February 28, 1939

Remitter: H & R Company, Inc. (11929)--Class A.

Title: "H & R Reconditioning Guide. Protection for Both Public and Dealer"

Question: Division of opinion as to whether correspondence is necessary when year date is stamped in as part of copyright notice.

The Copyright Office has received application, fee and copies for registration of a work entitled "H & R Reconditioning Guide." The notice of copyright appearing upon the cover is as follows:

Copyright by  
H. & R. Incorporated  
Elyria, Ohio  
February 15, 1939

The date of publication has been added by means of a rubber stamp, and agrees with that given in the application.

It is the opinion of Mr. Wise and Mr. Pierce that registration should be made as applied for. Mrs. Brady, on the other hand, feels the applicant should be advised that the date must be stamped on all copies distributed to the public.

Respectfully submitted,  
*W. Harvey King*  
Chairman, Revisory Board
