BOOK

MEMORANDUM

May 11⁸, 1940

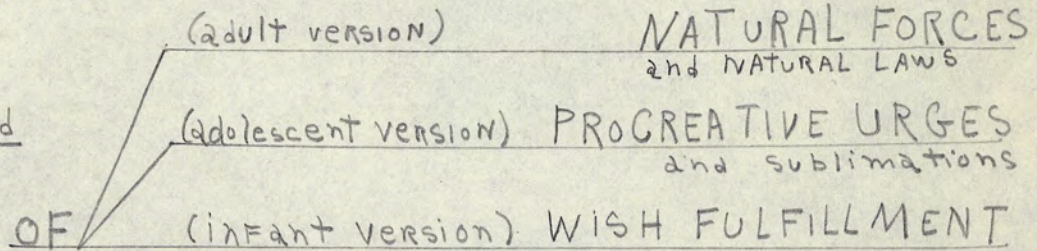

Remitter: Sam W. Clutton (No Fee)--Class A.

Title: "The Definition of God."

Question: Division of opinion as to subject matter of copyright.

The Definition of GOD

GOD
IS personified
ORIGIN

The Key to this DEFINITION is GROWING, PROGRESSIVE PERSONIFICATION.

COPYRIGHT 1940 SAM W. CLUTTON

In the opinion of Mr. Wise and Mr. Pierce there is evidence of sufficient original authorship in the form of writing to justify registration as a book. Mrs. Brady on the other hand sustains the Examiner in her opinion that there is insufficient copyrightable material in evidence to support a copyright claim.

Respectfully submitted,

W. Harvey Wise
Chairman, Revisory Board
