OBSCENE

MAJORITY MEMORANDUM

August 2, 1940

Remitter: Country Press, Inc. (46543)--Class A.

Title: "Hoey Annual No. 10."

Question: Obscenity.

Mr. DeWolf and Mr. Smith find the contents of this work coarse and vulgar, but not more so than other things which have been entered in the past, including it is believed the previous issues of this same publication. They therefore vote for entry. Mrs. Brady feels that the work is definitely obscene and votes for rejection.

Respectfully,

R. DeWolf

Acting Chairman, Revisory Board.

Reject as obscene by order of Colonel Bouvé.
