November 28<sup>?</sup>, 1940

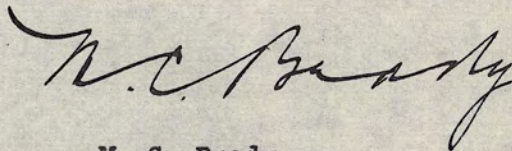

Remitter: John Stewart McMillan (No. 74745) - KK?

Title: "The Scream at Eagle, Michigan"

Question: Scandalous nature of subject matter.

The deposit under consideration is a four page advertising leaflet entitled "The Scream." On the front cover appears a print (from a photograph) of an old fashioned privy, on the side of which is painted in large and prominent lettering the legend, "Jesus is Coming." Immediately underneath, and intended to be read in conjunction with these words, the following is printed, "Bent on a holey mission to the Co-ed relief station."

The undersigned is in favor of rejection of this print because of its scandalous nature as published in connection with the sale and advertisement of the particular article of merchandise which it is designed to advertise.
