GAME

MEMORANDUM

March 7, 1941

Remitter: Claude S. Demorest (16976)--Class A.

Title: "Rules for Playing Brig"

Subject: Rules printed with notice on back of gameboard.

Application has been filed for "Rules for Playing Brig." These rules are printed on the back of the gameboard. The copyright notice is placed directly under the rules and would not be termed applicable to anything else. The application filed gives the title "Rules for Playing Brig." Furthermore, it should be noted that no copyright notice appears on the gameboard, and there is apparently in this case no intention of registering a claim of copyright in anything other than the text matter.
