"That unaffiliated firms have the same opportunity as the Bell Telephone Company and its affiliates to prepare and submit proposals and quotes for telecommunications equipment to be purchased by the Bell Telephone Company and have that equipment evaluated on the merits;

ADDITIONAL STATEMENTS

TRIBUTE TO COMMANDER RICHARD ILKA, USNR

● Mr. DeCONCINI. Mr. President, I rise today to recognize a devoted public servant who will be honored this evening by Renew America with their prestigious Environmental Partnership Award. Along with several of his colleagues, Comdr. Richard Ilka, USNR, of Scottsdale, AZ, will be honored for his outstanding service to protect, rescue, and rehabilitate thousands of sea birds and other marine species placed at risk by the catastrophic oilspills that occurred during and following the Desert Storm Operation.

The wildlife endangered by the oilspills included the Secotra Cormorant and hundreds of other species of birds, 180 species of mullusks, 106 species of fish, 5 species of dolphins, whales, and sea turtles. Thanks to the extraordinary cooperative efforts of the many volunteers and organizations involved with the rescue efforts, thousands of endangered birds and turtles were recovered, nursed back to health, and returned to their natural habitat.

I ask that my colleagues join me in recognizing someone who was involved with the Persian Gulf War in a rather unique position—to save and preserve, rather than to destroy. So often we
