Action:

INTRODUCED BY MR. DECONCINI

the agencies, the affected parties and my colleagues in considering and, if appropriate, perfecting the legislation.

One of the bills that I will introduce has been requested by the Librarian of Congress and the Copyright Office. This bill will raise the registration fee charged by the Copyright Office from \$10 to \$20. The Copyright Office believes that a doubling of their fee schedule is justified by inflation in the 10 years since the fee was established. I will place into the Record a letter from Dr. James H. Billington, the Librarian of Congress, explaining the need for the fee increase.

The second bill I will introduce has been requested by the Copyright Royalty Tribunal. This bill will first, reduce the number of Commissioners from five to three; second, would transfer the Commissioners to the Executive Schedule; and third, would allow a Commissioner whose term has expired to remain in office until a successor is confirmed. The CRT faces a situation in September that could threaten to force it to suspend operations. At present it operates with three Commissioners. One of the Commissioner's term expires in September and no successor has been named. Because the CRT is one of the few independent Commissions whose members are not authorized to serve until a successor is named, the CRT could be without a quorum as of September 22.

I hope that the Senate can consider these bills quickly and without controversy. I believe that they are reasonable approaches to problems that these two important Government agencies face. I look forward to working with the copyright community on any changes that it believes are necessary. I ask unanimous consent that the bills, along with a letter from Dr. Billington, appear in the Record.

There being no objection, the material was ordered to be printed in the Record, as follows:
